Thank you from the Focus Ireland team, your money will be put to good use.

Dear Inspiration,

I am writing to you today to thank you for the wonderful donation of €500 towards Focus Irelands vital work. Your generosity and support will mean so much to the thousands of young families and children who are facing the dreadful horror of homelessness.

Today, the number of people in homelessness is higher than it has ever been and the number of children in homelessness is now at a critical level.

However thanks to your kindness and generosity, Focus Ireland can continue to support those children and their families. With your help, our expert key workers can reach more families.

It is because of the support from companies and individuals all over Ireland, that our specialised Child Support Workers can offer even more children the one-to-one help and guidance they need to cope with the terrible trauma they have gone through.

And thanks to you, Focus Ireland is helping families to escape homelessness every single day. That is the real power of the inspiring gift you have given.

I would like to sincerely thank you again, for all the hope and joy you have brought.

Yours Sincerely,

Jenny McEvatt
